交通違例短訊通知服務

本局於9月10日起，就各類車輛的交通違例提供全面短訊通知服務。該服務是以短訊方式將車輛違例訊息發送至辦理者登記時所用的本澳流動電話號碼中，讓市民更快知悉違例情況並及早繳納罰款。欲辦理此項服務可透過以下澳門保安部隊網址：<https://www.fsm.gov.mo/webticket>，點選「交通違例短訊通知服務系統」進行登記。

此外，車輛登記人亦可攜其身份證明文件及車輛登記摺，親臨士多烏拜斯大馬路交通廳大樓、氹仔大連街海島交通警司處或各警務警司處辦理登記這項服務。

The screenshot displays the website of the Public Security Police Force (PSP) of Macau. The header includes the PSP logo and name in Chinese (治安警察局) and Portuguese (Corpo de Polícia de Segurança Pública). Navigation tabs are provided for Main Page, About Us, News/Information, Service Commitment, Services/Procedures, Download Forms, Problem Solving, Agency News, and Contact Methods. A sidebar on the left lists various services like Hotline, Online Systems, Games, Surveys, Complaints, Recruitment, and Police Warnings. The main content area is titled 'Online System' and features a section for 'Traffic Violation Query Record / Fines System & Traffic Violation SMS Notification Service Registration System'. It explains that citizens can check for violations and pay fines, and also register for SMS notifications. Two buttons are visible: 'Traffic Violation Query Record / Fines System' and 'Traffic Violation SMS Notification Service Registration System'. A 'Related Information' section lists links for 'Collection of Traffic Violation Fines' and 'Traffic Violation SMS Notification' service procedures. A banner at the top right reads '我們決意成為一支“廉潔、高效、專業、精幹”的警隊隊伍' (We are determined to become a "clean, efficient, professional, and capable" police force team).
